Project Evaluation

Criteria	Strengths - add comments	Weaknesses – add comments
Family Oriented:		
Diversity of Work: (Large amount of work suitable for non-skilled workers)		
Amount of Work: (Can accommodate 350-400 volunteers)		
Parking Availability: (On-site and surrounding street versus remote lot/shuttling)		
Organizational Strength of Recipient: (Does the organization appear to be a viable & sustaining entity?)		
Visibility of Results: (PR opportunity and project's physical visibility)		
Philanthropic Benefit: (Does the project serve a special need?)		
Suitable area for lunch and registration on site?		

Scalable (Project needs to be scalable to allow for varying sponsorship/volunteer commitments)		
Green Benefit (opportunity to incorporate sustainable design components)		
Restrictions/limitations (i.e. at risk youth)
